The Lost World A Maggie Eco-Adventure Audio Book By Kathy Hart Smith

Chapter 4 – A Good Plan

Listen to the track. Press stop. Answer these questions.

Think About the Plot

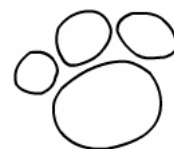

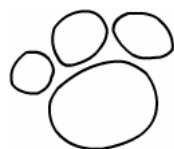

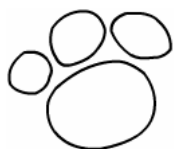

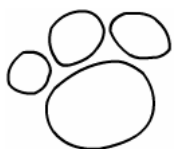

1. How were the friends going to help village schools?
 - put on a concert
 - put on a play
 - both of the above
 - none of the above
2. What is on top of a Russian church?
 - steeple
 - roof
 - picture of Stalin
 - cupola
3. What art project did Maggie like?
 - a birch bark box
 - a painting of the river
 - a model of a Russian church
 - a birch bark cabin
4. How were the friends going to get scenery?
 - collect natural material
 - buy it with Uncle AG's money
 - have Jenny raise money for it
 - go to Moscow and buy it
5. What did Maggie learn about the village?
 - some homes have designs
 - homes look run down
 - there is no running water
 - all of the above
6. What did Dude do that made them upset?
 - drank the water the boys had pumped
 - took food from a village dog
 - ran to the gardens
 - hid in a home.

Think About the Setting

1. Choose one part of the Russian village and describe it.

2. How do the Russian children use their surroundings wisely?

3. What technology would be lacking in the village? Why might this be good?

Answer Key:

Think About the Plot

1. both of the above
2. cupola
3. a birch bark box
4. collect natural material
5. all of the above
6. ran to the gardens

Think About the Setting

1. Answers will vary.
2. Russian children find natural materials such as birch bark and sticks and use these to create works of art.
3. Students may say that televisions and computers might be absent from the village. This would give people more time to develop their artistic abilities.
