Plot Mysteries in Literature

Below are some of the mysteries highlighted in this chapter. Predict how each of them will be solved. Remember – there are no right or wrong answers!

1. Kuma says that the grouse tried to warn them about the boar. Now he thinks Dude may know the reason there is green water. How might Dude hold the key to the mystery of the green water?

2. Kuma keeps looking for the Lost World of Russia. Where do you think he will find it?

3. Maggie wonders how Uncle AG knew they needed Yoshi's help. It is amazing that Yoshi called just as Maggie was about to contact her uncle on the special watch. How do you think Uncle AG knew about the group's troubles?

Maggie's hat often shows how she is feeling. Have you heard any clues about the hat that show you if Maggie is feeling discouraged or encouraged? If not, listen carefully to the rest of the book!
